

Certificate of Product Approval

Certificate Number: 1034b

Issue: 03

R & D Sheetmetal Limited

Unit 1A, Victoria Court
 Colliers Way
 Clayton West
 Huddersfield
 West Yorkshire
 HD8 9TR

is authorised to use the LPCB mark in association with the product(s) listed in this certificate and appendix having complied with the requirements of the standard(s) detailed below:

Products

**Security Evo III,
 Security Evo IV,
 Security Evo V and
 Security Evo VI**
 hinged security doorsets

Standard

LPS 1175: Issue 7
 Requirements and testing procedures for the LPCB approval and listing of intruder resistant building components, strongpoints, security enclosures and free-standing barriers

This certificate and appendix is maintained and held in force through regular surveillance activities

Notes:

1. The leaves on the double leaf doorset are of equal width.
2. Certification does not cover the use of locks other than those listed above. Utilisation of unlisted locks may affect the level of security offered by the doorset
3. The doorset's resistance relies on the supporting substrate offering compatible resistance to manual attack.
4. The Security Evo doorsets are approved when installed in accordance with the instructions detailed on document EVO-INST-02 (Issue 3).
